Proven tactics for effective seller outreach

We make sure Microsoft sellers see how much they get paid selling your solutions.

Get ready to go from this...

Client Highlight! We're proud to announce that an impressive 90% of our partners secured an invitation to an exclusive Q4 Microsoft co-sell event by leveraging our Microsoft Currency model.

Build your "Better Together" Narrative

Curious about the number of sellerto-seller connections you should aim for? We help you set actionable targets aligned with your processes and goals. With our deep Microsoft expertise, we go beyond mere introductions; we build your "Better Together" narrative with Microsoft sellers. And as Jerry Maguire once said, "Show me the MONEY!".

Meaningfully Connect with Microsoft Sellers

So, you have a Microsoft referral. What's next? We categorize your pipeline into actionable opportunities. Our co-sell mavens then ensure you're not just getting leads, but also valuable face time with Microsoft sellers. How do we do that? You guessed it—by showing them the money.

Bonus!! We can provide seller contact info for up to 10 accounts/week by request.

Build your Microsoft Currency

Every win, big or small, deserves a victory lap. Regardless of the level of engagement from Microsoft's account team, we make it a mission to broadcast your successes. This boosts your "Microsoft currency" while opening doors to future account planning, outbound referrals, and exclusive invites to Microsoft sales events.
